

THE INTELLIGENCER.

LOCAL MATTERS.

BRIEF MENTION.

An extra meeting of Pomona Grange will be held on the first Saturday in May.

The Centennial House is receiving a fresh coat of paint, which will add much to the appearance of the building.

Rev. Ellison Capers, of Selma, Ala., will deliver an address before the young ladies of the Charleston Female Seminary on the 27th inst.

Capt. Daniels' new building on Church street, opposite the jail, is going up very rapidly, and will be ready for occupancy in a short time.

The fifth annual session of the Grand Lodge of Good Templars will be held in Greenville, beginning on Tuesday next, 25th of April.

The Hopewell Democratic Club meets on the second Saturday in May at two o'clock p. m. Addresses will be delivered by E. B. Murray and others.

There was a considerable frost on Tuesday morning, and an exceedingly heavy frost for the season on Wednesday morning. Early vegetables were greatly damaged in some localities.

Mr. A. M. Ellidge was recently elected an alderman in Griffin, Ga., almost without opposition. Mr. Ellidge is an industrious mechanic and good citizen, and we are pleased to hear that he is appreciated so in the Savannah. He is a native of Laurens County, and resided in Anderson for a short time since the war.

At the last meeting of the Anderson Democratic Club, it was determined to have an address at future meetings, and the Executive Committee was instructed to provide suitable speakers. We understand that Col. Joseph N. Brown has been selected to deliver the address at the next meeting, which takes place on Friday evening, 5th of May.

Information has been received of the death of Mrs. Mary Prince, of Ripley, Miss., which occurred at the residence of her son-in-law, Capt. A. C. Rucker, on Friday, March 31st, in the 76th year of her age. The deceased was the widow of Mr. Richard Prince, one of the early settlers of Anderson, who removed to Mississippi about thirty years ago.

The cattle ordinance relinquished its terrors for the owners of cows on Saturday last, and until the first of October the lean and hungry kine can browse to their heart's content in the streets of Anderson. All other stock are prohibited from running at large during any portion of the year, which provision of the ordinance should be noted by owners of horses, mules and goats, who wish to escape its penalties.

We learn that the faculty and pupils of Mrs. J. V. Moore's school intend giving a May Party on the 28th inst., at the school house on Greenville street, to which all friends and patrons are respectfully invited. The fashionable Cantata, "New Year's Eve," will be rendered, in the four seasons of the year are represented by the pupils of the institution. The ladies of the school are using every effort to make the party a success.

Mrs. Amanda Bowen, the wife of Mr. T. J. Bowen, living near the Abbeville line, was fatally wounded by an accidental pistol shot on Sunday morning, 9th inst. She was attempting to get her bennet from a nail in the wall, upon which a pistol was hanging. In reaching for the bennet, the pistol fell to the floor, and in picking up the pistol, she let it fall again, when the pistol was discharged and the ball entered the body of Mrs. Bowen. She survived until Tuesday afternoon, when death released her from agony. The deceased was formerly Miss Amanda Armstrong, daughter of Wm. Armstrong, and was a most estimable woman. She leaves a husband and four children.

We learn that Dr. O. B. Mayer, of Newberry, and Dr. H. I. Epling, of Williamston, performed a most successful surgical operation on Thursday last, extracting a stone weighing six ounces, one drachm and eleven grains from Mr. W. G. Shepherd, who resides in Greenville County, some twelve or fifteen miles from Williamston. Mr. Shepherd was doing exceedingly well on Sunday last, and will certainly recover very soon. He has been a great sufferer for the last nine years. Drs. Mayer and Epling since October last have extracted stones from three persons living within a distance of ten or twelve miles, which number of operations is considered very remarkable in so short a time.

On Friday evening last, a number of gentlemen met at the office of the Anderson Journal, for the purpose of organizing a Young Men's Christian Association, and arranging to send delegates to the State Convention which met in Columbia on the 18th inst. A temporary organization was effected by the action of Mr. E. P. Earle as President and Mr. J. A. Brock as Secretary. Messrs. G. F. Tolly and E. B. Murray were selected as delegates to Columbia, and these gentlemen left on Tuesday morning upon their mission. A permanent organization of the Young Men's Christian Association will be made on next Wednesday evening, 26th inst., and all persons interested are cordially invited to meet at the office of the Anderson Intelligencer.

THE COLLECTION OF TAXES.

We have obtained from the County Treasurer, B. D. Dean, Esq., the following information in regard to the collection of taxes the present year:

AMOUNTS COLLECTED.	
State Tax	\$ 51,099.70
County Tax	14,223.55
Special County Tax	3,335.00
Local School Tax	921.31
Poll Tax	2,996.00
Total	\$ 72,575.96
AMOUNTS UNCOLLECTED.	
State Tax	\$ 3,355.15
County Tax	649.21
Special County Tax	151.48
Local School Tax	23.97
Poll Tax	365.00
Twenty per cent. penalty	841.96
Total	\$ 5,366.77

The amount uncollected includes the tax upon the Blue Ridge Railroad, which is \$1,852.35. Deducing this amount from the total collected, and the amount due by citizens is \$3,504.42.

The total number of delinquents is 492, which is smaller than last year, although the amount uncollected is about the same. The County Treasurer began the collection, with the twenty per cent. penalty added, on Saturday last, 15th inst., and his instructions are to continue until the 1st of May, when executions will issue upon the remainder uncollected at that date.

THE DEMOCRATS IN COUNCIL.

Harmonious Proceedings of the County Convention.

Pursuant to the call of the Chairman, Capt. J. A. Hoyt, delegates from the various subordinate clubs in this County met in the capacity of a County Convention in the Court House on last Saturday. The Chairman, in calling the Convention to order, made a short address of congratulation and encouragement to the Democratic party of this County, and claimed that Anderson County had led off in the work of organization so she was continuing in the van. He then referred to the bright prospects before the National Democratic party, and urged united action on the part of the people of this State for the purpose of effecting a reformation in our government, and securing a new era of political prosperity to our people. He then stated that the object of this Convention was to elect delegates to the State Convention, which meets in Columbia on the 4th of May for the purpose of electing delegates to the National Democratic Convention, to be held in St. Louis on the 27th of June, and announced the Convention ready for business. Upon motion of Maj. John B. Moore, Mr. Thomas S. Crayton was elected Secretary for the Convention. The call of clubs was then proceeded with, and the following delegates were enrolled from their respective clubs:

Anderson—John B. Moore, James T. McCall, E. B. Murray, J. R. Williams, E. P. Earle and G. F. Tolly.

Honea Path—T. A. Hudgens, R. N. Wright, James Gambrell, Wm. Lee and Maj. Dugan.

Williamston—Dr. John Wilson, W. W. Wilson, W. F. Owens, Hugh Mahaffey, C. C. Dacus and H. I. Epling.

Belton—G. W. McGee, W. C. Brown, G. W. Cox, W. J. Broome, Jas. W. Poore and Dr. W. H. Todd.

Broadway—L. E. Campbell, Samuel Brown, S. M. Goss, Thos. W. Martin and Jos. B. Moore.

Martin—J. A. Drake, B. W. Parker, John D. Alewine and J. A. Cowan.

Pendleton—W. H. D. Gaillard and T. S. Crayton.

Garnin—Larkin Newton, J. P. Glenn and Danl. Wardlaw.

Hopewell—M. B. Williams, B. C. Martin, A. M. Guyton and David Owen.

Brushy Creek—J. W. Singleton, R. T. Elrod and L. W. Pickens.

Hunter's Spring—J. Belton Watson and J. O. Jones.

Centerville Mills—W. W. Russell, R. M. Burns and J. W. Major.

Fork—N. O. Farmer, J. P. Brown, T. J. Dalrymple and Dr. J. B. Brown.

Rock Mills—Dr. J. T. Cook and T. H. Anderson.

Savannah—Wm. S. Shaw and W. M. Hardin.

Dark Corner—Wm. O'Brian, D. E. Carline, Jerry Yeagans, Thos. W. Seigler and J. L. Bryan.

Flat Rock—J. W. Norris and C. S. Mattison.

Slabtown—J. M. Glenn and W. C. Watkins.

Hall—Jas. Thompson, D. C. Howard, A. E. Rice and R. R. Bealy.

The call of the clubs showed a membership of two thousand enrolled members in the County, with the reports of several executive committees to be had yet, which will increase the actual membership now in the County considerably above the number already reported.

The election of delegates to the State Convention was then entered upon, and it was resolved that the Convention elect by ballot, and that the six persons having the highest vote should be the delegates, and the six next highest the alternates. The result of the election was, as follows: Delegates, Messrs. J. A. Hoyt, E. B. Murray, John B. Moore, W. C. Brown, C. S. Mattison and John B. Sifton; Alternates, Messrs. W. S. Picken, J. M. Glenn, J. P. Brown, J. T. Barnes, G. M. McDavid and Dr. John Wilson. Each of the delegates elected received a majority of all the votes cast by the Convention.

After this election, Maj. John B. Moore offered the following resolutions, which were unanimously adopted:

WHEREAS, The Republican party of this County, in a convention held on the 8th inst., at Anderson Court House, resolved to make no nominations for the fall elections, and that they would vote for no one who would not go before the people on his own merits, &c. Therefore be it

Resolved, That the Democratic organization in South Carolina hold the 8th inst. as the day of redemption of this State from its present and past degradation and corruption, brought on by Radical rule, and for the accomplishment of this end we invite the co-operation of all good and honest men of every class and name.

Resolved, That the Democratic party does not ask direction directly or indirectly from its enemies, who are also the enemies of good and honest government, and who offered we recognize in it a desire to destroy the unity of the party that Radical rule may be made victorious and triumphant in this County.

Resolved, That we recognize in the proceedings of the Radical party a fixed will and determination to bring out their candidates as independents, who claim to be Democrats, to the end that the vote of the Democratic party may be divided and its candidates defeated.

Resolved, That we recognize but two parties in Anderson County, to wit: The Democratic party and the Radical party.

Resolved, That the Democratic party will nominate its candidates either by primary elections or by convention, as the subordinate clubs may elect, and that all Democrats will support to a man these nominees when placed in the field, and that we will recognize all independent candidates as opposed to our party.

Mr. E. B. Murray offered the following resolution, which was adopted by the Convention:

Resolved, That the Central Executive Committee of this County be instructed to have a mass celebration on the Centennial Anniversary of American Independence, and that they announce the programme with speakers, and that the executive committee of subordinate clubs be requested to co-operate in the arrangements.

The Convention then, upon motion, adjourned sine die.

The proceedings of the body were harmonious and enthusiastic throughout, and evinced much interest and good feeling in the work of organization throughout the County. The people are resolute and determined that none but true and reliable men shall be elevated to public position in Anderson County at the coming election, and a handsome vote may be looked for on the State ticket should the Democratic party of South Carolina determine to wrench the government from the party which has ruled and ruined for the past eight years.

—According to a Washington newspaper, Gen. Tombs took the oath of allegiance to the United States recently, in order that he might plead a case before the Supreme Court.

—The banana crop in Louisiana is the largest ever grown there. The fruit has grown through the whole winter, instead of being killed by the frost as usual.

BAPTIST CENTENNIAL FUND.

The Baptist State Convention, at its meeting in Spartanburg last fall, determined to inaugurate a movement to create a wider and deeper interest in the higher walks of education, in connection with the approaching Centennial of American Independence, which recalls the sufferings and struggles of one hundred years ago in behalf of civil and religious liberty on this continent. This work was entrusted to a Centennial Committee, which secured the services of Rev. W. C. Lindsay as Corresponding Secretary and General Agent, who is prosecuting the plans adopted for raising a Baptist Centennial Fund of not less than Fifty Thousand Dollars, which is to be equally divided between the Southern Baptist Theological Seminary and the Furman University. In pursuance of the plans agreed upon, under the direction of the General Agent, the work has been entrusted to the wisdom and energy of sub-committees in the several Associations, who are expected to present the objects of the Centennial Fund to the churches and denomination. The sub-committee for the Saluda Association is composed as follows: W. E. Walters, chairman, E. R. Carswell, R. M. King, James A. Hoyt, Edwards B. Murray, E. P. Earle, C. E. Horton and James W. Poore. Upon consultation it has been agreed that the following persons will attend the Union Meetings, embracing the fifth Sabbath in April, and ask the co-operation of the churches in the work assigned to the sub-committee of the Saluda Association: First Union District, at First Creek Church, Rev. W. E. Walters, H. L. Clinkscales and Rev. A. Riee; Second Union District, at Belton, Rev. R. W. Burt, E. B. Murray and Rev. C. W. Dicken; Third Union District, at Townville, Rev. E. R. Carswell, E. P. Earle and James A. Hoyt.

A meeting was held in the Court House on Tuesday night, for the purpose of organizing a Fire Company. Mr. John W. Todd was called to the chair and Dr. W. G. Brown requested to act as Secretary. About forty young men were enrolled as members of the proposed organization, and the following officers were chosen: W. W. Humphreys, President; John W. Todd, First Director; J. E. Cashline, Second Director; A. J. Watt, Third Director; W. G. Brown, Secretary and Treasurer. A committee of five was appointed to draft a constitution and by-laws, and also to serve as an Executive Committee, viz: Messrs. W. S. Brown, J. M. Sullivan, S. M. Pegg, J. Reese and W. W. Keys. On motion, the chairman of the meeting was added. The meeting adjourned until to-morrow (Friday) evening, when it is expected that the Executive Committee will report the constitution and by-laws. It is the purpose of the organization to equip its members with buckets and ladders, in case no better appliances for extinguishing fires are furnished by the town, as the young men are convinced that organized efforts under proper direction will serve to protect and preserve property in some measure.

A GOOD EXAMPLE.

The young ladies of Columbus, Ga., are setting an example of economy to the young men, worthy of the Centennial year. In convention assembled, they have unanimously adopted the following resolutions:

Resolved, That we have always been opposed to the young gentlemen hiring carriages to take us to places of amusement, simply because it rained.

Resolved, With a view of setting an example and a precedent, we obligate ourselves to ignore carriages, and provide ourselves with an umbrella, a water-proof and a pair of over-shoes, and we shall ask those gentlemen whom we are to escort to be provided likewise.

These resolutions are all right, but we fear they are entirely too good to last longer than last-year—like the reform policy of the Republican party, only intended for service through the campaign.

ACTION OF THE SLABTOWN DEMOCRATIC CLUB.

At a meeting of the Slabtown Democratic Club, held April 8th, the following resolutions were adopted, viz:

Resolved, That we, the Slabtown Democratic Club, favor the County Convention plan of nominating candidates for all the offices to be filled in our County, from the Legislature down, believing that we can have more unanimity in this plan of selecting candidates than by primary elections.

Resolved, That we favor nominating men for whom the people would seek rather than men who would seek the office, and there may be as little controversy or litigation brought to bear in our organization plan as possible, which would not be the case in the primary election plan, which could not be carried out without controversy and dissension. Three or four candidates might be proposed in the club for the same office, and each, of course, would have his friends, and every person, who is acquainted with the nature of elections, knows that it would be impossible to conduct even in a club of three or four hundred members without the routine of cunning artifices, wiles and deceptions usually practiced on such occasions, especially where the office is one of importance to the officer or the people, and as every person's friend could not be successful there might be prejudice and coldness produced that might damp the ardor and patriotism of some persons by which their influence would be lost even up to the fall election. A door is certainly opened for such a result, which we think would not be the case in the nominating convention plan. We therefore favor the convention plan, and respectfully ask that other Democratic clubs throughout the County consider the plan we have adopted for selecting men for office.

The Slabtown Club will hold its regular meetings the first Saturday in each month. J. P. SMITH, Secretary.

If our farmers will purchase commercial fertilizers and continue to plant cotton, it will certainly be to their interest to use the very best seed. Mr. C. A. Reed is selling packages of the Cheatham Cotton Seed at \$1.00, \$1.50, \$2.00, \$3.00 and \$5.00. From this seed, with good culture, from three to five bales of cotton have been made to the acre.

—The Augusta Constitutionalist learns from a gentleman, who has made a tour in the Counties of South Carolina, that the people of Augusta, the whites and blacks, in some localities, have petitioned the Governor to furnish them with something to eat. In Hanceville, Ala., at Martin's Station, it is said the negroes have held a mass meeting and begged that the white people would devise some means whereby they could get a few buns and bread.

The acceptance by the splendid Fifth Maryland Regiment of Infantry of a place in the Centennial Legion, as a representative of the State of Maryland, will be a great thing to the Marylanders. The legion is now complete, and a full roster of the field officers and the representative commands of the Old Thirteen may be looked for at early day.

—Governor Stone is the first Democratic Governor Mississippi has had since 1868, when Governor Humphreys was dismissed by military order. A popular majority of thirty-one thousand backs the present Governor in his position.

—The New York Sun insists that there is abundant ground for the impeachment of the President, but doubts whether it is worth while, since he will have to walk the plank anyhow on the 4th of March next.

SPECIAL NOTICES.

The Scriptures say Naaman would not believe when told that to be cured of leprosy, he had only to bathe in the river Jordan. His unbelief brought days of suffering upon him, as it does upon those who delay taking MERRELL'S HEPATINE for the Liver. When the skin and eyes become yellow in the spring season, with pains in the head and bones of the body, and a heavy feeling about the stomach after meals; there is but one chance to escape. Sickness of some sort is sure to come, unless the bile and bad blood is carried out of the system. Go to your druggist, Messrs. Simpson & Sadler, and get a bottle of MERRELL'S HEPATINE, that cures all diseases of the Liver.

Doctors are guessers. If they guess right you are all right—provided you pay the bill. If they guess wrong, you go to the graveyard—they go to their dinner. MERRELL'S HEPATINE has cured more cases of liver disease, indigestion, constipation and dyspepsia, than all the doctors and pills in the world combined. Ask your druggist, Messrs. Simpson & Sadler, and get a bottle of MERRELL'S HEPATINE, that cures all diseases of the Liver.

GLOBE FLOWER COUGH SYRUP cures coughs, colds, and will positively cure consumption. For sale by Messrs. Simpson & Sadler.

Don't Beg the Question.

It is an inalienable right that a cause is weak when its claims are sought to be established by mere bold assertion without argument or substantial proof. Dr. Tolt asserts that his Hair Dye is the best, and he desires undisputed evidence to substantiate the truth of the assertion.

READ WHAT EXPERTS SAY.

NEW ORLEANS, May 10, 1871.

DR. TOLT—Dear Sir: We, the undersigned, wish to inform you that we have tried your Hair Dye, and find it to be the best we have ever used. For its natural black color, it far exceeds all other dyes. Our customers will have no other. Since we have its use, our business in the dyeing department has rapidly increased. We think it a great triumph.

The People Want Proof.

There is no medicine prescribed by physicians, or sold by druggists, that carries such a long and honorable record of success as BOEHRER'S GERMAN SYRUP for severe Coughs, Colds settled on the Breast, Consumption, or any disease of the Throat and Lungs. A proof of that fact is that any person afflicted with a cold, a sore throat, or a cough, can get a sample bottle for 10 cents and try its superior effect before buying the regular size at 75 cents. It has lately been introduced in this country from Germany, and its wonderful cures are astonishing every one that uses it. Three doses will relieve any case. Try it. Sold by WILMUT & WILLIAMS, Anderson, S. C.

Good Taste.

In nothing do men and women show their possession of this quality, or the want of it, so much as in the appearance of their homes. People of good taste and judgment in North Carolina, South Carolina, Georgia, Florida and Alabama, patronize Mr. P. P. Toale, of Charleston, S. C., who supplies the best doors, sashes, and window casings, and the best paint to make them beautiful. Also, plain and ornamental glass of the best French and American manufacture.

THE BEST PUMP IN THE WORLD

NOTHING conduces more to GOOD HEALTH than PURE WATER. Such is furnished by the

DOUBLE ACTING STONE FORCE PUMP,

Manufactured by J. C. Nichols & Bro., Atlanta, Ga., which brings the water pure and fresh from the bottom of the well. No slime or filth collects on the pump or in the well. No snails, worms or green moss gets about the water. It is free from rust or other impurities, and can be operated by a small child with ease, and brings the water fresher than any other Pump. It is of stone, glazed inside and outside, and never will decay. It improves the water beyond a doubt by ventilating the well, and keeping it like a moving stream of water. With a hose attached, it becomes a good fire-engine, ever ready at your door to extinguish the flames in case of fire. It is better and cheaper than insurance. It is a home enterprise, permanently established, and relies on its own merits, upon which it asks your patronage. This Pump is represented in Anderson and adjoining Counties, together with the Counties of Hart and Elbert in Georgia, by

ALONZO L. WELCH,

Anderson C. H., S. C.

Send in orders at once for Pumps, and they will be delivered and put in immediately. He means business.
